

W6 Waka Support for 2019 Takapuna Beach Cup

Takapuna Beach Cup is New Zealand's Premier 3-day Outrigger Regatta, which is held annually on Takapuna Beach, Auckland. This year's event will be taking place on 15-17 February 2019.

We are in need of Waka for our travelling crews and would like to ask clubs to check your paddling calendars, to see if you have any W6 Waka available for hire.

We will need the W6 for Saturday 16 February. In some cases we may need the waka for 2 days including Friday or Sunday depending on if the crew are taking part in the Friday 5km race or Sunday 10km race and when you are able to drop them off.

Clubs will be paid \$300 per canoe, which will be paid to the club via bank transfer the week following the event.

Clubs will need to supply;

- a. Drop off and collection of waka
- b. Waka in good condition
- c. Tow Rope
- d. 2x Spare lashings
- e. 1x MSA Approved Flare
- f. 6x MSA Approved Lifejackets
- g. Spray Skirt and hoops

If your club is able to hire out a W6 please email the below address;

Please include how many waka you can supply, a description of the waka – make, colours, names (if they have them) and expected drop off day. If you have photos that's great as these can be sent to the international teams to make collection easier. Also include a phone number for who ever will assist with locating the waka at the venue.

OC1/V1 and OC2 – We have a number of International paddlers wanting to hire waka for the Sunday relay. If you have anything available please let us know and we will pass on details. We do not arrange payment etc but will pass on details so any money or agreement is between the two parties directly.
